PA Amplifier SKY-1000B, 2x 500 Watt Black

A series of amplifiers for semi-professional use, ideal for DJ installations. This amplifier technology ensures long-term top performance.

Product colour : Black
Output channels : 2
Output power: @ 4 Ohm per channel : 1000W
Frequency response : 20 - 20.000 Hz
THD :
Signal-to-noise ratio : >98dB
Power supply : 220-240VAC 50Hz
Dimensions (L x W x H) : 482 x 270 x 132mm (3U)
Is the item 19" ? : Yes
Weight (kg) : 9,00

- Reliable technology
- Fan-cooling
- Electronic protection circuits
- Fast response
- Large frequency range
- Blue LED output level meter on every channel
- Recessed volume controls on every channel
- Suitable for 19" rack mount
