## IGNITE220 LED Spot Moving Head 2pcs in Flightcase

A complete kit of 2 IGNITE220 moving heads supplied in a solid and rugged flightcase. The IGNITE220 is a spot moving head with a linear motorized zoom, equipped with a powerful ultra-bright 220 Watt LED according to the latest technology. This moving heads also features 2 gobo wheels and a 3-facet rotating prism to create stunning 8-color aerial effects. The beam angle of 12 degrees makes this the ideal fixture to use for gobo projection and sharp beam figures. The IGNITE220 is suitable for DMX control in 3 different channel modes, master/slave or stand-alone operation. It includes several show presets, strobe and dimmer functions, and a built-in microphone for sound activation. Perfectly useable for many events and club installs.

Light source : Single colour LED  
Colours : White  
LED power (single LED) : 220W  
Quantity of LEDs : 1  
Colour wheel : 7 colours + open
