TRT220 Tower Lift 220kg 6.5m

The TRT220 is designed to lift heavy loads from the ground and hold them at great heights. This Tower Lift is very compact and easy to handle, has 4 castors at the bottom and easily fits through a door. The TRT220 can lift loads of up to 220 kg to a height of 6.5 meters. Safety features include a reinforced steel base, an automatic leg lock system, safety pins and a robust bullseye spirit level that allows you to level the tower for optimum stability.

Product colour : Black
