750HR Stage Handrail 0,5m

This handrail is designed to fit into the Deck750 profile. With 2 hand-tightened connectors it is quick and easy to install. The handrails are fitted with an extra lower crossbar to prevent smaller objects to slide off the stage (for example flight cases). Adjacent handrails can be connected together with a 2-point connection system for extra stability.

Product colour : Black
Dimensions (L x W x H) : 1080 x 494 x 32mm
Weight (kg) : 4,90
