MRB12 Lithium-ion 12V battery pack with charger

Rechargeable battery pack suitable for use with Vonyx megaphones. The ready-to-use battery replaces the need for eight expensive C-cell batteries, significantly reducing the waste of standard batteries. Supplied with a charging cable and 220V adapter that plugs directly into the mains and provides several hours of continuous power to your megaphone once charged. Perfect for sporting events, parades and emergencies.
