**INSTRUCTION MANUAL**

**V1.1**

Congratulations to the purchase of this Vonyx product. Please read this manual thoroughly prior to using the product in order to benefit fully from all features. Follow the instructions in order not to invalidate the warranty. Take all precautions to avoid fire and/or electrical shock. Keep the manual for future reference.

## UNPACKING INSTRUCTION

**CAUTION!** Immediately upon receiving the product, carefully unpack the carton, check the contents to ensure that all parts are present, and have been received in good condition. Notify the shipper immediately and retain packing material for inspection if any parts appear damaged from shipping or the package itself shows signs of mishandling. Save the package and all packing materials. In the event that the product must be returned to the factory, it is important that the product be returned in the original factory box and packing.

## MICROPHONE CONNECTION

## STAND ASSEMBLY INSTRUCTIONS

1. Fixate the bottom end of the column tube tightly in the base of the stand
2. Attach the shock mount microphone holder to the column tube
3. Insert microphone in the shock mount microphone holder clamp
4. Optional: attach the goose neck pop filter to the column tube to eliminate popping and sibilance sound
5. Insert the supplied USB A-B cable in the bottom of the microphone and connect to PC or laptop
