FT8LED-MK2 Portable Sound System 8"

Get the party started with the FT8LED-MK2 Portable Sound System. With this entertainment system, you can play all your favourite songs and sing your heart out with the supplied microphone, wherever you are. The speaker is equipped with a trolley system and features a 8" woofer that provides optimal sound. Use BT wireless connection to pair it with your smartphone, use a MicroSD card/USB driver or hook up a 3.5mm audio cable to your device when wireless connection isn't available. The built-in colour changing LED ring mounted behind the grill adds an amazing effect to any party. This portable speaker system has a built-in battery and is easy to use.
